Re: Mr. Derek Ramsamooj

Mr. Justin Phelps, Mr. Navindra Ramnanan, Mr. Milton Castelen and myself act for and on behalf of Mr. Derek Ramsamooj.

By an e-mail dated the 15th day of May 2024 sent to address secprocgen@gmail.com, we delivered to you a letter of even date written by Mr Phelps.

That e-mail address is the e-mail address which is used for your office and to which you invite formal correspondence to be sent.

Notwithstanding the above, in an article headlined "Government formally not informed about possible legal action political analyst Ramsamooj" Mr. Albert Ramdin, Minister of Foreign Affairs, International Business and International Cooperation was quoted as saying:

We have not been formally informed by the authorities and the media coverage is of course for your information. When we receive official notice, we will inform the relevant authorities.

If this report is accurate, Mr. Ramdin's comments are false and/or misleading. We have not seen any correction to this statement in subsequent media reports.

Having regard to the serious nature of the events which have occurred in Suriname involving my client, we wish to urge upon you a greater degree of accuracy and transparency in your public statements regarding

my client and his challenge to the serious violations by the State of Suriname of its international and regional obligations.

In the future we would be grateful if your office would acknowledge receipt of our correspondence sent to the said email address.

Yours faithfully,

Chase Pegus
